

Sale Name: Saunders Living Estate

LOT 229 - Keystone projector, Kodak Instamatic camera

Description

Working Keystone projector with original box, five storage boxes and four 8 mm reel cases. Find some old movies and make everyone speed walk or move in slow motion or even reverse because you™ll have the knobs to make that happen! We thought you™d also like a Kodak Instamatic X 15 camera that advances and clicks.

Quantity: 1
